Points reference telegram not previously mentioned (RUMTELS 315, 316) brought attention Fraga's today. Fraga stated there no official US reaction as he expected there would be at end of his their representation. has asked for instructions. Also indicated no reaction from Deister Salazar who had English tent President's last night with Portuguese summary.

Fraga was unusually reserved although he said speaking officially that US could certainly expect little from the UN.

Points reference telegram not previously mentioned last night (EMBTLS 315, 316) brought attention Fragoso today (1230 PM). Fragoso stated there no official GOP reaction as yet but expected there would be at end of day their representative MAC has asked for instructions. Also indicated no reaction so far from Doctor Salazar who had English text President's message last night with Portuguese summary.

Fragoso was unusually reserved although he said speaking unofficially that US could certainly expect little from OAS or UN.
